

# Family History Research

Dear Relative:

I am currently gathering information on the history of our family. Below you will find my three earliest generations. Do you have any additional information on these lines?

I would also like your help in completing the information on your branch of the family. I believe that our families are related. Enclosed you will find a family group sheet. Please complete the form and return it to me as soon as is convenient.

If you are interested in the history or records of these families, I will gladly share any information I have gathered.

Thank you for your help and co-operation.

Sincerely,
